UFDC'S 63<sup>rd</sup> Annual Convention**

Anaheim was great. I appreciated all who attended a very spirited Region Eight Meeting and made their voices heard. A special note Card, depicting "Polly" a Moravian cloth doll, designed by M.L. Butch, was a favor to all who attended. New Orleans promises to be even Better! Shorter convention, with registrations available to children 8 and older! Not to mention a Souvenir Doll designed by Alice Leverett. Hope to see you there!  
Carolyn

From Your Director

My first year as your Regional Director has been very rewarding and I dare say successful. Always challenging, Region Eight Members are so dear to me. I know each and everyone of you will be there to help me, UFDC and each other.

I have challenged members of Lafayette Doll Club to participate in “A Dime A Day”....saving a dime each day and contributing \$36.50 in addition to regular dues.Two members participated this year.

Am I the only one wishing for a Regional? Our Clubs have hosted successful luncheons, and I’m hoping someone is thinking about a Regional.

This week my PC froze and documents were lost; had to reload programs and hardware...and the rear window of my station wagon shattered...from the heat! At times like these, I’m so blest to have my wonderful husband and friend. MY “thanks” to Teddy and all UFDC Volunteers.

Happy Dolling,

Carolvn
